ROCKVILLE, MD 20855 8 '99 APR 26 19 53

Dear Dr. Sundlof:

I am writing to you to ask that you seriously consider banning antibiotics used to promote growth in farm animals.

I am concerned about the use of antibiotics, which are being overused. I am certain that you are aware of the consequences to humans ingesting them.

Thank You for your consideration of these facts.

Thank You Kindly,

Mollie Leibowitz
